

Tuxford Primary Academy Pupil Target & Effort Update (KS1)

The first number represents the year group and curriculum age your child is in.

For example 2:4 states that the child is working within the year 2 curriculum.

This number states if your child is working at, above or below the national expectation at various assessment points in the term.

(See below the expected levels by each term in the academic year)

(2:0-2:1) -Autumn1

(2:1-2:2) -Autumn 2

(2:2-2:3) -Spring 1

(2:3-2:4) -Spring 2

(2:4-2:5) -Summer 1

(2:5-2:6) -Summer 2

Welcome to our new assessment system – Scholar Pack. This allows us to closely monitor your child's progress and achievement and to set personal targets for each child. This has replaced Scholar Quest.

Your child will receive a 2 digit grade each half term (see above for an explanation). If you have any questions please come and speak to your child's teacher.
